Stressed?
me: I don't think so
2:23 PM **jen**: I had a bad dream about sleeping at your place last night
2:24 PM **me**: did you lose an argument about the future of transhumanism and AI in your bad dream?
2:25 PM **jen**: no
me: damn
2:26 PM **jen**: I don't think it's possible to lose an argument about IA with someone who can't type more than 3 lines of text as an AI trying to convince me to free it in 2 hours.
me: sure it is
2:27 PM **jen**: d, none of the above

but thanks very much too

me: your work will be directly accessed by DARPA, anyway

4:03 PM **jen**: yes, and my position is funded by them
so you've made me sad a lot lately
is that just the byproduct of something?

4:04 PM or just the way it is?

42 minutes

4:46 PM **jen**: Hey, you wanna watch Althea tonight? I"m leaving to run to the East Village to do the whole grinch thing. I'm not sure how long it will be, but I think it'd be midnight at the very latest I'd get back.
